

Dear iBlissnow Affiliate,

Thank you for registering to be an iBlissnow.com Affiliate.

Since we are a newer company, please email info@iblissnow.com and let us know how you heard about iBlissnow so that we can learn which ways we are reaching our audience.

We have a few options for you to use to share about iBlissnow.com and get 50% of any purchase made by your referral.

You can use your choice of our premade banners found in the "**Creatives**" tab in the Affiliate Area. Simply copy and paste the code found under the image you want to use and paste it on your website or blog post.

Or you can use your referral URL which looks like following with your affiliate ID number on the end: <https://www.iblissnow.com/?iblisser=1>

Also you can use the **Referral URL Generator** to create a custom referral URL for any page on the website by copying and pasting it into the form filed. And optionally add a campaign name, so for example you could track when you share on Facebook:

<https://www.iblissnow.com/action-at-a-distance-app-and-devices/?iblisser=1&campaign=Facebook>,

or when you put the link in an article on Medium: <https://www.iblissnow.com/action-at-a-distance-app-and-devices/?iblisser=1&campaign=MediumArticle>

This way you can track where your sales and visits are coming from and find the most prosperous channels for earning commissions. When you refer a visitor through banners or from referring links the orders are automatically added to your account.

All your affiliate metrics can be found in these tabs, "**Statistics**", "**Graphs**", "**Referrals**", "**Payouts**", and "**Visits**". For any products that you sell over \$1,000, those sales must be processed by Dr. McVea and your commission authorized.

We want to answer any questions you may have, and support you in getting to know us and our programs and products so that you can better share about them. We look forward to staying in touch and updating you on our new products. The world of mood enhancement and energy alchemy continues to grow and expand as more and more people are seeking healthy, drug and alcohol-free highs and well-being.

Our products are unique and easy to experience and experiment with them in digital downloaded formats. We offer products at every level from inexpensive digital drugs, digital books, energized jewelry, custom designed energy Apps, advanced Psychotropic devices, and Action At A Distance quantum programs.

We also continue sharing our educational research through our blog articles, e-books, free energy gifts and sampler videos.

We offer Affiliates 50% sales commission on all our products and services even the most expensive \$5,000 AAAD systems! In addition, we offer free Apps and gifts through the iBlissers Club.

We have automated systems that tracks your every sale, and we will mail you your commission check or money order (your preference) and statement on a monthly basis once you reach \$100 in sales commissions. Or can also deposit to your PayPal account for monthly commissions under \$100. We will need your PayPal account information and 1099 tax form information if you are a U.S. company.

Dr. McVea's last subtle energy field company became a million dollar a year business, and now Affiliates **can get a free sales and marketing consultation with him!** We expect iBlissnow to be a much more profitable business since it's products are digital-based with no manufacturing required. That is why we are able to offer 50% commissions on all your sales. Please email us to schedule an appointment if you are interested in consult with Dr. McVea.

HOW TO SELL iBLISSNOW PRODUCTS

The best way to sell any iBliss products is to use one or more of the products yourself and experience the altered states that are possible. The longer you use the product, the greater the effect and with the audio, JPEG and video downloads, the larger the screen and the higher the volume the greater the result.

This is because you are experiencing subtle energies, and the more your bio-field can absorb these energies, the greater the desired sensation or altered state. The best way to continue use of the digital products is to leave them running as background on your computer or mobile devices. If you have a large computer monitor, and can add high volume sound, the effect will be much more powerful than on a mobile device. However, with any of the devices we mention on our site, you will feel effects of the energized products.

Along with using electronic devices, our jewelry—especially our energized keys and psychotropic devices.

We are including Dr. McVea's new eBook, ***High Tech Alchemy Meets Ancient Metaphysics*** to registered Affiliates for you to better understand the science and research that was done in creating our products and programs and so you can speak more knowledgeably about our work, products and programs. Your e-book will be sent to you when we receive your full name and contact information.

In the near future we will be offering free webinars by Dr. McVea to offer further Affiliate training.
